WOMEN'S DAY WEEKEND

Our Wonderful Women's Day weekend was celebrated on July 9th and 10th. First Lady Kelli A. Jenkins of St. Luke AME Church and Rev. Rossilind L. Daniels of Charity Baptist Church, each blessed us during our Women in Prayer Breakfast and our Women's Day Culminating Service. We were truly uplifted and inspired to remain "women stepping out in faith, living the life God designed."

STUDENT ACHIEVEMENT PICNIC

Thank you to all who celebrated our students and graduates at our annual Student Achievement Picnic. Grade school students received certificates of excellence and school supplies, and our college students received care packages in preparation for the upcoming academic year. Thank you to our Education and Youth Ministries for ensuring another successful back to school event!

MEN'S DAY WEEKEND

Thank you to all who joined us and participated in making our Men's Day weekend a success in August. A special thank you to Sis. Amber McCoy and Dr. Marvella Ford of MUSC Hollings Cancer Center for creating a safe space for us to discuss prostate health during Saturday's SC AMEN Session and breakfast.

We were then blessed on Sunday by the Rev. Charles G. Jackson of Light of the World Ministries, as he delivered a dynamic message that encouraged us to press forth as "men of faith demonstrating spiritual and physical strength."
